

SENATORS MAY INVESTIGATE STEEL STRIKE

ALL MUST GIVE BEFORE EVE TO PUT DIXON OVER

Small Donations By All Dixonites Needed This Evening.

If everyone in Dixon township will do his duty by the Salvation Army before 7:30 o'clock this evening, the hour the subscriptions at the various precinct headquarters will close, Dixon township's quota of \$2,200 for the Home Service fund of that organization will be raised, and it will then be unnecessary for the committees to make any further canvass.

Small subscriptions are all that are asked, but everyone who can possibly afford a little donation to the best-loved of the soldiers' aid organizations must make that subscription or the amount will not be reached.

At 11 o'clock this morning a check of the subscriptions at the precincts showed that about one-third of the quota had been subscribed. The noon hour was expected to swell the total to over half the amount and the committee was hopeful that the consciences of the good people of the community would put Dixon over the top during the afternoon and evening hours.

But it is absolutely imperative that everyone do his or her bit today if Dixon, one of the first communities to adopt and carry out the "one-day" drive plan, is to maintain the record so successfully followed during the war.

OPENING GAME OF SEASON WAS HARD FOUGHT TIE

Dixon and DeKalb in 0 to 0 Contest Saturday.

Dixon did not win nor did Dixon lose in the opening football game of the season with the DeKalb high school eleven, the final count being 0 to 0. It was the first game for many players on both teams and they furnished plenty of excitement for the large crowd that gathered to witness the contest. DeKalb surprised the locals, outweighing the Dixon players by a good margin and playing as speedy a game as the locals could.

Only once during the contest did the visitors threaten to score, this being in the second half when they came dangerously close to the Dixon goal. The Dixon players held the line and prevented their scoring. The first, third and fourth quarters went to Dixon on playing points. Three different times, the locals had good openings to score but fumbled the ball. Three forward passes would have worked successfully had they not been fumbled and the ball left unguarded.

Despite the visitors' excess weight and equal speed, Dixon outplayed their opponents all the way through the game. Attender at tackle played the feature game for Dixon, remaining in the lineup throughout the contest. Shepard was sent in during the latter part and made an excellent showing. Several of the eligible players for positions on the first team were given a trial by Coach James, being sent in at the end of quarters to prove their worth. Only two men on the local team had ever played against a strange team before, which was in a way accountable for many mistakes, caused by nervousness on the part of the new players.

Every man has received orders to be at the country club grounds each day for the rest of this week and all train hard for the game next Saturday with the Freeport high school team at Freeport. Coach James has not decided up on his first team but will pick his men about Thursday, who will make the trip to Freeport.

State Senator Held to Grand Jury Today

By Associated Press Leased Wire
Chicago, Ill., Sept. 22.—Federal Judge Landis, who is investigating the importation of beer from Wisconsin to Chicago, today held State Senator Patrick J. Carroll, of Illinois, to the grand jury in bonds of \$20,000. Carroll refused to answer any questions put to him by the judge with regard to the alleged illegal traffic.

Thirty Chicago saloonkeepers and several others, including Anthony Freitch, bookkeeper at Kenosha for the Blatz Brewing company, were before the judge today.

TWO AVIATORS KILLED.
By Associated Press Leased Wire
Long Beach, Calif., Sept. 22.—D. A. Gwartzney and Edwin Birnie, both of Long Beach were killed yesterday when the airplane in which they were flying near this city fell into a tail spin at a height of 500 feet.

LA GRANGE SOLDIER CITED.
By Associated Press Leased Wire
Washington, Sept. 22.—General Pershing has awarded the distinguished service cross to Sergeant Frank J. Simon of LaGrange, Ill.

MARION TOWNSHIP FIRST OVER THE TOP

At 9 o'clock this morning Father Couley, chairman of the Marion township committee in charge of the Salvation Home Service Fund drive, there, telephoned Major Brinton, county chairman, that the township quota had been raised. Marion township thus achieves first place among the townships of the county, with precinct one of Brooklyn township as the first precinct over the top. Brooklyn precinct reported last week its quota had been met.

PLOWMAKERS HAD FINE PICNIC DESPITE RAIN EARLY SATURDAY MORN

Interesting Sports and Fine Eats Are Features of Day's Outing.

The weather man with the aid of one Jupiter Pluvius almost wrecked the Grand Detour Plow company picnic on Saturday with a heavy shower early in the morning of that day. However, the worst that he did was to cause a postponement of the affair, and by the delay made it impossible to have the Dixon band at the park for the day. It also cut out the morning program of sports and compelled a readjustment of the day's program. However, despite this handicap the picnic committee pulled off the affair in good style and made it day of real recreation and pleasure for the 350 men, their families and friends.

The transportation committee under Guy Merriman used autos and two boats to transport the crowd to the park. Boats began running at 11:00 a. m. and made trips every 45 minutes and kept up that schedule until the last tired picnicker was brought back to Dixon. The convoy of 14 autos braved the slippery road down the hill into the park and made repeated trips carrying passengers. In addition, the motor transport spent some time trying to pull a pleasure car out of the ditch on the hill.

"Eats" First Big Event.
Lunch was the first thing on the program and was generous and appetizing. The factory management had provided lemonade and ice cream and coffee and sandwiches to supplement the eats brought out by the picnickers. Chas. Larkin was in charge of that committee and they kept busy from the very first to the last serving frozen and liquid refreshments.

At 2:30 p. m. the sports began. They

(Continued from Page Six.)

FORD STOLEN FROM STREET NEAR STATION

While the streets of Dixon were in utter darkness Saturday evening, automobile thieves took advantage of the lack of illumination and stole a Ford touring car a short distance from the police station. The theft of the machine was reported to the police about 10 o'clock.

The car was owned by Mrs. D. G. Foley, who resides south of Harmon and who had come to Dixon on a shopping tour. The car contained a man's overcoat, two women's coats and a lady's hat. A gallon jar half filled with fresh butter was also taken. The license number of the car was 274823. Chief Van Bibber telephoned to several surrounding towns and yesterday sent out descriptive post cards in an effort to locate the stolen machine.

AMBOY MAN WANTED FOR WIFE DESERTION

Sheriff P. A. Schoenholtz went to Amboy yesterday where he arrested John Clothier, who is wanted in Ottawa on a charge of wife and child abandonment. Clothier was brought to Dixon and placed in the county jail. Sheriff C. S. Ayres of Ottawa is expected this afternoon to take him back for trial.

CITY IN DARKNESS BECAUSE OF STORM

The wind and rain storm that passed over Dixon early Saturday evening caused trouble at the I. N. U. power house and left the city in darkness for more than three hours. The streets were dark from 7 o'clock until shortly after 10 o'clock. Several wires about the city were broken by the heavy wind, but no serious damage resulted.

THE WEATHER

MONDAY, SEPTEMBER 22, 1919.		
By Associated Press Leased Wire

INSURGENTS ARE INCREASING HOLD IN FIUME CENTER

Jugo-Slavs Report Italians Are Invading Territory.

BULLETIN

By Associated Press Leased Wire
London, Sept. 22.—An attempt by Jugo Slav forces to land on the Dalmatian coast is reported in official dispatches reaching here regarding the Adriatic controversy in which Fiume is the storm center. The landing was frustrated by the Italian naval and military authorities.

By Associated Press Leased Wire
Paris, Sept. 22.—Troops under Gabriele D'Annunzio, the insurgent Italian commander at Fiume, have begun extending their zone of occupation into Jugo-Slav territory, according to the Jugo-Slav delegation in Paris. They penetrated seven miles into Jugo-Slav territory, occupying the heights at Pisanak, dominating the surrounding country.

AMERICAN MARINES LANDED

By Associated Press Leased Wire
Rome, Sept. 22.—American marines have landed at Buccari, a small town on an arm of the Gulf of Quarnero, about ten miles southeast of Fiume, says a dispatch to the Messaggero. One American ship is in Fiume harbor, according to advices, but the anchorage is a considerable distance from the city. General Badoglio's ultimatum to the D'Annunzio soldiers, giving them until Friday night to leave Fiume is said to have been modified so that the ultimatum would expire last night, an additional 48 hours being given.

Reports reaching this city from Fiume state that food for 40,000 persons must be distributed there daily.

WASHINGTON VIEWS

By Associated Press Leased Wire
Washington, Sept. 22.—Landing of a party of American marines at Buccari near Fiume, reported last night in dispatches from Milan and Rome, undoubtedly was by order of Rear Admiral Philip Andrews, commander of the Mediterranean squadron, as the navy department, so far as could be learned early today had received no advices on the subject.

Secretary Daniels returned to Washington last night after an absence of more than a month during which he visited the Pacific coast and opened the new dry dock at Honolulu.

Andrews Has Full Powers.

No report of the landing of American marines near Fiume has been received at the navy department. Secretary Daniels said today, however, that Rear Admiral Andrews, commanding the American squadron in the Mediterranean, had full power to use American naval forces as might be needed in the opinion of allied officers on the ground.

MAY SETTLE QUESTION

By Associated Press Leased Wire
Paris, Sept. 22.—There were indications today that the supreme council might agree upon a settlement of the Dalmatian question on the basis of a formula making Fiume Italian but neutral—that is not allowing Italy to keep troops there and internationalizing the docks and railways, thus safeguarding the Jugo Slav and central European interests.

This plan was submitted to President Wilson on Sept. 17 and is awaiting his decision.

France and Great Britain have approved of the plan and the Jugo Slavs are reported to be favorable to it, although awaiting the American decision before giving their reply.

The Italian forces are maintaining the blockade of Fiume now in effect. It is learned, the allied navies merely standing by as observers.

Lowden Tells Congress About Budget System

Gov. Frank O. Lowden left for Washington Saturday to attend a conference of the special congressional budget committee.

Illinois was one of the first states to adopt a budget system, which was done at the request of the governor, and he is now the first governor to be invited to confer with the congressional committee on arranging a budget for the federal administration.

HOFFMAN CHILD IS BURIED IN OAKWOOD
Charles Juett Hoffman, three-day-old son of Mr. and Mrs. George Hoffman, passed away at the family home at Woodstock, Ill., Sunday morning shortly after 2 o'clock, death resulting from complications. The body was brought overland to Dixon and the funeral held from the Preston funeral chapel at 4 o'clock yesterday afternoon. Rev. E. C. Lumsden officiated and burial was made in Oakwood. Mr. and Mrs. Hoffman formerly resided east of Dixon near Grand Detour.

STRIKE SUMMARY

By Associated Press Leased Wire
The preliminary skirmish in the great industrial struggle which opened today between the labor unions and the United States steel corporation, which directly or indirectly affects a half million wage earners, produced the usual conflicting claims by the generals on both sides.

In the great strategic centers of the struggle, the Chicago and Pittsburgh districts, many thousands of workers obeyed the strike order, but early reports stated that comparatively few plants had been compelled to close. At a large number of the outlying points officials of smaller plants reported they were operating as usual.

Elbert H. Gary, chairman of the board of directors of the steel corporation, refused to make any comment on the situation.

Secretary Foster of the steel workers' union issued a statement expressing satisfaction with the outlook and claiming that reports from outside the Pittsburgh district showed that the shut down was general.

An important feature of the situation was the announcement by representatives of the 35,000 workers employed by the Bethlehem Steel company that these men would not join the strike pending an attempt to obtain a conference with the company officials.

Some of the blast furnaces in the Pittsburgh district were banked, but the majority of the plants were in operation, although admittedly with forces reduced from 15 percent to 65 percent. In the Chicago district, including Gary and Hammond, where 90,000 steel workers are employed, similar conditions were reported. At Cleveland the union leaders claimed that 15,000 men were out and that 16 mills of the American steel and wire company, employing 9,000 men, were closed down. At Ohio's second greatest steel center, Youngstown, the strike leaders also claimed that the great majority of the workers had struck and at Steubenville, where three plants of the Carnegie Steel company are located, it was asserted that all three had been forced to suspend operations.

At the less important points in Ohio and Pennsylvania, including Portsmouth, Warren, Canton, Toledo, Columbus, Lorain, Pottsville, Reading and Harrisburg, officials of the various plants announced that their men had remained loyal and that operations were in full swing. One notable exception was Johnstown, Pa., where 12,000 men were reported to have struck.

Outside the great pivotal states of Indiana, Ohio and Pennsylvania conditions were reported nearly normal with a few important exceptions. At Buffalo, where the Lackawanna steel company are located, the union chiefs claimed that 70 percent of the workers had obeyed the strike call. At Wheeling, W. Va., it was asserted that 8,000 men were idle and the Colorado Fuel and Iron company's plant at Pueblo, Colo., was closed down when its 2,000 employees walked out.

The mills of the Illinois steel company at South Chicago were closed, the unions estimating that 95 percent of the 4,000 men on the day shift had struck.

LOST CARRIER PIGEON ALIGHTED AT AMBOY

Today a carrier pigeon, one of five thousand liberated by R. D. Clow, pigeon fancier, of Chicago, eighty-five miles west of Chicago, is returned to him from Amboy where it dropped to rest and feed in the chicken yard at the Carl Hegert home. A daughter of the family cared for the bird until a letter sent to the address on the bird's wing received an answer from Chicago, telling where the carrier should be sent. In the letter from Chicago Mr. Clow stated that of the 5000 liberated but thirty percent had returned and that of those that did not, this was the first to be heard from. He said that they had probably become bewildered in the storms. The birds had been started on a race to Chicago, each bearing a message in code on an aluminum band on one foot, the other foot bearing the regulation band with the bird's number.

Americans Buy Coal Mines in Silesia

By Associated Press Leased Wire
London, Sept. 22.—Americans have bought extensive coal mines in Silesia, according to a Berlin dispatch to the Exchange Telegraph company quoting Tessen advices.

JEWISH NEW YEAR STARTS WEDNESDAY

Jewish New Year's service, in commemoration of the beginning of the year 5680, according to the Jewish calendar, will be held next week. The holiday period will be ushered in Wednesday night, and will conclude on October 4.

DIXON MEN OFF TO STATE MASONIC MEET

A. B. Whitcombe and Bert Smice will leave tomorrow morning for Urbana, where they will attend a meeting of the grand council of Royal and Selected Masters of Illinois. The session will last two days with prominent Masons from all parts of the state present.

CHICAGO CENTER OF DISTRICT HIT HARD BY STRIKE

Many Plants in Vicinity Closed Down Early This Morn.

By Associated Press Leased Wire
Gary, Ind., Sept. 22.—The strike of 18,000 employees of the United States steel corporation is under way in Gary. Since 5 o'clock, the last shift of the strikers has been leaving, and those who do not intend striking, have been reporting back for work. The extent of the strike at 8 o'clock this morning was difficult to determine. It is known that great numbers of men have failed to report, but it is also known that a large number of men have reported for duty. Early this morning an official of the steel corporation announced that in all of the subsidiary plants here, one-third of the regular force had reported by that time, while in the tin mills, the percentage was much larger. Out of a day shift of 8,000 men at the Gary works, 3,000 had reported at 7 o'clock. Union labor leaders are confident that not more than ten percent of the regular employees had reported for work.

No Trouble Reported from Gary, Ind., Mills

The only definite figures obtainable were from the American bridge works, when it was stated that 300 out of 1100 men reported this morning. It is a noticeable fact that most of the foreign born people are staying away from the plants, while a great percentage of the American employees, including the colored men are at work as usual today. The crowds are orderly and there has been no trouble.

Mayor Wm. F. Hodges, assumed personal charge of the situation and issued orders to his police lieutenants and officers. "Keep the crowds moving," was the gist of his order. "It is not our duty to take sides in this conflict, but

(Continued on Page 5.)

Lighthouse Keepers Lived 11 Days with No Food or Water

By Associated Press Leased Wire
Miami, Fla., Sept. 22.—Eleven days without food or water, twelve survivors of the recent hurricane huddled in a lighthouse on North Elbow Cay, a small island in the Florida straits which was for the lighthouse was swept clean of every vestige of human habitation during the storm. They were located yesterday by a submarine chaser which brought back a story of devastation and human suffering unsurpassed by any that come from the storm area.

Slayer of Child Pleaded "Guilty"

By Associated Press Leased Wire
Chicago, Sept. 22.—Thomas R. Fitzgerald, confessed slayer of 6-year-old Janet Wilkinson, changed his plea of "not guilty" to "guilty" when brought to trial today. Fitzgerald strangled the child, after enticing her into his room July 22, and hid her body in a coal pile in the basement of the building in which Fitzgerald and Janet's parents lived.

Attorneys for the state will demand a death sentence for Fitzgerald. Mrs. Wilkinson, mother of Fitzgerald's victim, was the first witness to testify.

Head All-Russian Government Quits

By Associated Press Leased Wire
London, Sept. 22.—Admiral Kolchak, head of the all-Russian government at Omsk, has informed the allies that he resigns the title of chief ruler in favor of General Denikine, leader of the anti-bolshevik forces in southern Russia, according to a wireless dispatch sent out by the soviet government at Moscow. The message admits the bolsheviks have abandoned Kursk after severe fighting against General Denikine's troops.

Two Killed in Wreck Near Galesburg Today

By Associated Press Leased Wire
Galesburg, Ill., Sept. 22.—Len Benton, engineer, and Billy Lovett, brakeman, were instantly killed near London Mills at 5 o'clock last evening when the trestle bridge of the Minneapolis & St. Louis railroad gave way, three-quarters of a mile from London Mills. The engine, five coal cars, a car of oil and two box cars were wrecked. The engineer was severely scalded before he was pulled from the cab. Brakeman Lovett is still pinned under the engine this morning.

NO GAME SUNDAY AS GROUNDS WERE DAMP

The baseball game between the Dixon Browns and Milledgeville was called off yesterday afternoon, the grounds being too wet to play. The game will probably be played later in the season.

STRIKE BULLETINS

SHOTS FIRED IN EAST.

By Associated Press Leased Wire
Pittsburgh, Sept. 22.—Several men had their heads clubbed and twenty arrests were made today in the borough of Clairton when the Pennsylvania state police had another brush with crowds that refused to disperse. Several shots were fired by each side, according to Clairton police headquarters.

SENATE TO INVESTIGATE.

By Associated Press Leased Wire
Washington, Sept. 22.—Immediate investigation by the senate labor committee of the steel workers' strike was proposed in a resolution today by Senator Kenyon, republican, Iowa. The resolution went over under the rules.

PUEBLO WORKS QUILTS.

By Associated Press Leased Wire
Pueblo, Colo., Sept. 22.—Two hundred men were pulling the fires in the Minnequa plant of the Colorado Fuel and Iron company here this morning, preparatory to a complete shut down of the plant where six thousand men are employed, according to an announcement from J. F. Weiborn, president of the company, who said that until a sufficient force of men was secured no effort would be made to operate.

A. F. OF L. HEARS NOTHING.

By Associated Press Leased Wire
Washington, Sept. 22.—Officials of the American Federation of Labor said today no reports were being received on the progress of the strike of steel workers over the country. President Gompers announced that he had no statement to make on the strike for the present.

NO DISORDER IN CHICAGO.

Chicago, Ill., Sept. 22.—Operating with greatly reduced forces or "closed down" was the report from most of the big steel plants of the Chicago district at noon today. At South Chicago, Gary, Indiana Harbor and Hammond conditions differed so widely, however, that influence of local conditions in the various establishments was paramount. Union leaders were either quietly satisfied or openly jubilant but company officials had little to say if they talked at all, those who discussed the strike as saying that it was too early to give out statements.

Forty-three big steel plants were directly affected by the strike order, the number of employees being estimated at more than 87,000. Union claims were that 90 percent of this number had struck for recognition of their unions, but no company official would acknowledge more than 20 percent actually out. Where more than this proportion had failed to report for work the plant officials said they had been intimidated by the minority.

There were no reports of disorders from any municipal officials in the district in the first twelve hours of the strike.

At South Chicago the big plant of the Illinois Steel company was closed, although union men admitted that more than 1500 men had reported for work. The usual day shift is 4,000 strong. At Gary the great establishments of the United States Steel corporation were running with reduced forces. At Hammond there was almost no change in the situation created by the strike created there several weeks ago of employees of the Standard Steel Car company but at Indiana Harbor conditions approached those at South Chicago.

First Games World's Series in Cincinnati

By Associated Press Leased Wire
Cincinnati, Sept. 22.—Cincinnati won the toss for the opening game of the world's series at the meeting of the national baseball commission here today. The first two games will be played in Cincinnati, the next three in the American league city winning the pennant of that league, then two in Cincinnati if necessary, followed by one in the American league city. The place for the ninth game, if necessary, is to be decided by lot. The first game is scheduled for Wednesday, Oct. 1. The umpires, who will judge the plays in the world series game are: American league—R. F. Nalin and Wm. J. Evans. National league—Charles Rigler and Emmett Quigley.

FORMER DIXON LADY HELD UP SATURDAY

Herbert Morris today received a letter from his cousin, Mrs. George Harold Carleton, formerly Miss Elta Morrison of this city, in which she stated that she and her husband had been held up by two armed Italians at Milton and Clybourn avenues, Chicago, Saturday night and robbed of \$300 in Liberty bonds and \$200 in checks.

WAGON CO. FORMAN RESIGNED POSITION

George Lightner, who for several years has filled the position as machine shop foreman at the American Wagon company's plant, has resigned his position. He is taking a vacation of a couple of weeks and will probably enter the employ of the Grand Detour plow company's mechanical force.

LEADERS CLAIM FOURTH MILLION WORKERS OUT

Steel Co. Heads Made No Official Statement Today.

By Associated Press Leased Wire
Pittsburgh, Pa., Sept. 22.—At noon William Z. Foster, secretary of the national committee for organizing iron and steel workers gave out the following figures as indicating the number of men on strike:
Chicago district, 60,000.
Cleveland, 30,000.
Youngstown proper, 15,000.
Youngstown district, including Sharon, Farrell, Newcastle, Struthers, Butler, Canton and Massillon, 50,000.
Buffalo, 12,000.
Hornstead, 9,000.
Bradford, 5,000.
Rankin, 3,000.
Clairton, 4,000.
Monessen and Donora, 12,000.
Wheeling, 15,000.
Steubenville, 8,000.
Pueblo, 6,000.
McKeesport and Duquesne, 12,000.
Pittsburgh city, 15,000.
Vandergrift, 4,000.
Leechburg, 2,000.
Brackenridge, 5,000.
Johnstown, 15,000.
Coatesville, 4,000.

Chairman Gary Says There's Nothing to Say

By Associated Press Leased Wire
New York, Sept. 22.—Elbert H. Gary, chairman of the board or directors of the United States steel corporation, declined to comment on the steel strike today. He came to his office about 10:30 o'clock, his usual hour, but when pressed for a statement, he declared: "There is nothing to say."

Mr. Gary admitted that he was receiving reports on the strike from the various subsidiaries of the steel corporation, but neither he nor any of the other officers would make any comment upon them.

At the offices of the corporation here early today there was nothing to indicate that a general strike directed against the company's 145 plants was in progress. Heads of departments and the clerical force started work at the usual time and were apparently unconcerned about the strike situation.

Leaders on Both Sides Are Confident

By Associated Press Leased Wire
Pittsburgh, Sept. 22.—"We got away in good shape at most of our plants in and about Pittsburgh this morning," said a representative of the Carnegie Steel company when asked for a statement on the effect of the steel workers' strike which went into effect today.

"We are agreeably surprised at the showing made," was the announcement by Wm. Z. Foster, secretary of the national committee for organizing iron and steel workers who is in charge of the Pittsburgh district.

Rain Kept Men From Congregating

Early reports from the populous centers of Allegheny county showed that the strike went into effect without any disturbances. At McKeesport, where strong efforts were made to bring out the men, all streets leading to the steel mills were heavily guarded. Rain fell in the early hours which had the effect of keeping men from congregating.

Many Police on Duty

Dawn found mill guards, borough and city police, the mounted Pennsylvania state police, volunteer guards, deputy sheriffs, detectives and other guardians of the law on duty for any emergency. Likewise, the strike leaders in every steel mill community were abroad instructing strikers and pickets in their duty and persuading men on their way to work to turn back and join in the strike. Early reports indicated that hundreds of men were turned back in various communities.

Protected Workers

Full protection as far as could be made was given to men who determined to go to work, the streets and roads leading to the mills in every steel community in the Monongahela, Allegheny and Ohio valleys being patrolled by armed guards.

First Clash Sunday.

The state police had their first clash with crowds Sunday afternoon in North Clairton and near McKeesport, where they broke up mass meetings at the request of local police officials. Strike leaders charge that a number of persons in the North Clairton crowd were severely hurt in the clash there.

Americans Largely Returned to Duties

At the National Tube company's works at McKeesport, one of the largest industries there, large numbers of men went to work without incident.

(Continued on Page Five.)
Mr. and Mrs. Glenn Dysart, of Nacmusa, were callers at the Charles Garrison home yesterday.

Society

COMING EVENTS

Monday
W. R. C. Annual Inspection—G. A. R. Hall.

Tuesday
Practical Club Meeting—Mrs. W. D. Anderson.
War Mothers' Council—G. A. R. Hall.
U. C. T. Auxiliary Meeting—Mrs. C. E. Hill, 416 North Crawford Ave.

Wednesday
Christian Church Aid—Mrs. W. C. Stauffer, 215 Lincoln Ave.
Grace Church Aid—Mrs. C. A. Garrison, 608 East Chamberlain St.

D. A. R. ANNUAL—

A very attractive little booklet is being issued by the local Daughters of the American Revolution as their club annual. It contains the following program for the year 1919-1920:

October 4th.
Hostesses—Mrs. Petre, Mrs. Cupp, Mrs. Schermerda.
Americanization—Miss Fannie Murphy.
Current Topic—Mrs. R. W. Thompson.

November 1st.
Hostesses—Mrs. Cupp, Miss Lord, Mrs. Thompson, Mrs. C. E. Smith.
Place of Meeting—G. A. R. Hall.
"The Spirit of American Womanhood"—Mrs. Burnham.

December 6th.
Hostess—Mrs. Nichols, Mrs. Barlow, Miss Pankhurst.
"Americanization as Applied Through the Public School"—Mrs. McWethy.

January 3rd.
Hostesses—Mrs. Anderson, Miss Osborne, Mrs. Quimby.
Paper—Miss Edna Burnham.
Current Topic—Mrs. Schermerda.

February 7th.
Hostesses—Mrs. Edwards, Mrs. Nixon, Mrs. Dixon.
"The Polyglot Boarding House"—Miss Woodbridge.

Election of Delegates to Continental Congress.

March 6th.
Hostesses—Mrs. Brewster, Mrs. Sproul, Miss Smith.
"Our Obligation to the American Negro"—Miss Jennie Laing.

April 3rd.
Hostesses—Mrs. Burnham, Mrs. Cortright, Mrs. Tillson.
Paper—Mrs. Law.
Report of State Conference.

May 1st.
Hostesses—Mrs. Dodge, Miss Laing, Mrs. Winn.
Report of Continental Congress.
Election of Officers.

June 14th.
Flag Day Celebration.
Officers of the Dixon Chapter.
Regent—Mrs. Ida M. Dysart.
Vice Regent—Mrs. Anna G. Burnham.
Recording Secretary—Mrs. Anna W. Barlow.

Corresponding Secretary—Mrs. Sarah W. Hitchcock.
Registrar—Mrs. Ellen L. Judd.
Treasurer—Mrs. Mabel R. Drew.
Historian—Mrs. Emily K. Petre.
Custodian Sunshine Fund—Mrs. Elizabeth F. Thompson.

Local Board of Managers, consisting of three officers and three members from the floor as follows: Mrs. Hattie E. Dodge, Mrs. Mabel P. Drew, Miss Jennie Laing.

W. C. T. U. MEETING—

The Woman's Christian Temperance Union held a meeting at the home of Mrs. Henry Leydig, Friday afternoon, with the president, Mrs. Herman Missman, presiding. The devotional service was conducted by Mrs. Missman, with scriptural verse response by the members. The union made a decision to eliminate the serving of refreshments at each meeting. A good report of the county convention, held here recently, was given by Mrs. Emerson Bennett. At the close of the business session, an interesting program was listened to and thoroughly appreciated. Ruth Leydig sang "Buttercup Lady," and "A Rainy Day." A duet was sung by Ruth and Albert Keyes, entitled, "I Wish I Were a Little Bird." They were heartily applauded and responded with encores. Mrs. Messer gave two readings which were highly entertaining. It was decided by the union to hold a home-baking and food sale Saturday, Oct. 4th. After adjournment the thirty-five women present enjoyed refreshments of doughnuts and coffee and a pleasant social hour.

GRACE CHURCH AID—

The Aid society of the Grace Evangelical church of the North Side have been invited to meet on Wednesday afternoon at the home of Mrs. C. A. Garrison, 608 East Chamberlain street. Each woman in the church and congregation is urged to be present and to bring a friend. Each is to bring her own work and be prepared to have a pleasant social time.

The ladies are very happy over the success of the sale of Saturday afternoon and are grateful for the patronage of the public.

MARRIED IN CHICAGO—

Mr. and Mrs. Oscar R. Eicholtz announced the marriage of their daughter, Erma Ethel, to Dr. Reuben A. Anderson, on Saturday, September 20th, in Chicago. The ceremony was performed at 4:30 o'clock in the afternoon by the Rev. G. S. Onstund, of the Bethlehem Lutheran church, of Chicago. The only attendants were Miss Mary Cling, cousin of the bride, and Mr. J. W. Nelson, of Chicago.

Dr. and Mrs. Anderson will spend a week in the "Deils". They will be at home upon their return at 7712 Carpenter street, Chicago.

HONORED BIRTHDAY—

A very delightful surprise and scramble dinner party was given Dr. R. E. Saxman Wednesday evening by a number of his friends on the occasion of his birthday. Games and music were enjoyed. Dr. E. L. House entertained with a number of clever tricks. James Cleodan sang three delightful numbers and Supt. John Reeder had an interesting part in the program. In behalf of the

company, Sec. of the Y. M. C. A. John Der Kinderen, presented Dr. Saxmann with a handsome gift.

ENTERTAINED WITH DINNER—

Mrs. Alice Miller, of this city, and her sister, Mrs. J. F. Goodrich, of Carthage, Ill., entertained with a dinner at the Nachusa Tavern Sunday the following guests: Mr. and Mrs. W. W. Woolley, Mr. and Mrs. George Beal, Mr. and Mrs. Frank Chiverton, Mr. and Mrs. Edward Dysart, and Mrs. Della Vail.

CHRISTIAN AID—

The Ladies' Aid society of the Christian church will hold a meeting Wednesday at the home of Mrs. W. C. Stauffer, 215 Lincoln avenue. This is to be an all-day meeting with a scramble luncheon at noon. All the members and their friends are invited.

U. C. T. AUX. MEETING—

The United Commercial Travelers' Auxiliary will hold a meeting at the home of Mrs. C. E. Hill, 416 North Crawford avenue, on Tuesday afternoon. A full attendance of members is desired at this meeting, the first after the vacation season.

PARISH SUPPER—

A parish supper, a scramble affair, will be served at St. Luke's Episcopal church in the guild rooms at 6:30 this evening. This will be followed by an evening of music. Mrs. W. G. Kent, Miss Kent, Elmer Rice and Wilbur D. Hart will sing and Clinton Fahneny will play.

AT AUNT'S HOME—

Miss Anna Sufall, of Somerset, Pa., is visiting at the home of her aunt, Mrs. Emma Geisler. Miss Sufall was also a guest at the Neighbourly Class scramble dinner on Thursday.

TO ANN ARBOR—

Mrs. A. N. Richardson and son, Lloyd, left today for Ann Arbor, Mich., where the latter will enter the University for Michigan. Mrs. Richardson will visit at Detroit and Saginaw before returning.

DINNER AT GRAND DETOUR—

Mr. and Mrs. J. W. Crawford, daughter, Seville, and son, Joseph, Miss Olive Bender, and Mr. Lindman, of Chicago, were dinner guests at the Colonial Inn, Grand Detour Thursday evening.

VISITS IN WOOSUNG—

Mrs. C. E. Mossholder is spending the week-end with her parents, Mr. and Mrs. B. F. Kelly, in Woosung. Mrs. Elsie Mossholder is also a guest in the Kelly home.

RETURNED TO WASHINGTON—

Miss Gladys Kenaga, after spending a month with her parents, Mr. and Mrs. W. O. Kenaga, returned to Washington, D. C., to resume her work. She holds a government position there.

GUESTS FROM CLINTON—

Mrs. Fred Pike and Mrs. Edw. Denby, of Clinton, Ia., visited here Friday with Mrs. Pike's daughter, Mrs. LeRoy Graves at the home of Mr. and Mrs. Edw. Graves.

TO PENNSYLVANIA—

J. W. Lightner and family will leave by motor Wednesday for their old home Gettysburg, Pa., where they will reside. Their departure from Dixon is much regretted by their many friends.

AT DINNER—

Mrs. Leonard Andrus entertained as dinner guests Friday evening at the Nachusa Tavern, Mrs. C. J. Rosbrook and Miss Mary Wynn.

MUSIC AT METHODIST—

The "Harmony Four" sang during the Sunday school service at the Methodist church on Sunday. In the evening the men's chorus sang.

WEEK-END VISIT—

Miss Leona Krug, in training in a Chicago hospital, spent the week-end with her sister, Miss Alice. She returned to Chicago Sunday evening.

WAR MOTHERS TO MEET—

A regular meeting of the War Mothers' Council will be held Tuesday afternoon at G. A. R. hall. All members are requested to be present.

TO UNIVERSITY OF ILLINOIS—

Robert Powell, son of Dr. and Mrs. G. P. Powell, left Saturday for Champaign, where he will be a student at the University of Illinois.

AT H. A. AHRENS' HOME—

Mr. and Mrs. H. A. Ahrens are entertaining Mr. and Mrs. L. C. Daniels, of Oak Park. Mrs. Daniels is a sister of Mr. Ahrens.

WERE DINNER GUESTS—

Mr. and Mrs. Mahlon Forsythe and daughter, Frances, were entertained at dinner Sunday at the home of Miss Martha Smith, of East Boyd street.

TO NORTHWESTERN U—

Miss Orleans Newcomer left this morning for Evanston to resume her studies at Northwestern University.

IN CALIFORNIA—

THE O. E. S. PARLOR CLUB PARTY

Thursday evening. Members of the various bodies and friends invited. Refreshments. Admission, 25c. 22212

ALL MUST GIVE BEFORE EVE TO PUT DIXON OVER

(Continued from page one.)

Whole State Engaged

Every city, town, hamlet and cross roads in the entire state of Illinois to lay became the scene of great activity as the Salvation Army Home Service fund campaign opened.

Scenes in the various cities and towns brought back to memory the street lights of the hectic days of war when campaign after campaign was waged to enable the government to carry on the war or to provide aid for our soldiers overseas.

Many faces which became familiar during the darker days were seen again, canvassing the cities with subscription lists in hand. This new work is a work of peace, while the former campaign were war work, but the same workers were there.

Reports received late last week at the campaign headquarters in Chicago showed that the state was fully organized with the exception of two or three small counties where organizers were then at work lining up committees in preparation for the opening.

The quotas for Illinois outside of Cook county is \$750,000. Chicago and Cook county committees pledged themselves to raise \$1,500,000. Chicago's organization, both as to trades and wards was well under way at the time of the last report, and L. E. Myers of the wards and A. A. Sprague, chairman of the trades division, stated that with the opening of the campaign their roster would be complete.

Reports from down state showed that \$50,000 had been subscribed in pre-campaign work by the various organizations. Much of this has been paid in and the remainder will be obtained in the near future.

Campaign committees, chairmen and executive committees have definitely pledged themselves to raise, and started today on the work of raising \$6,000,000 in the various counties and cities, a total received or pledged of \$725,000.

This leaves only \$25,000 to be accounted for in the first days of the campaign.

Rockford, Ill., is the highest price recorded for farm land in DeKalb county to date. Possession will be given March 1, 1920.

Rockford, Ill., Glenn E. Plumb, at the Rock Island railroad bill that was designed to give employees a share in the profits of the roads, has accepted an invitation to speak in Rockford before the Kiwanis club late in October or early in November.

CLOSING OUT SALE.

One mile west of Dixon court house on the Rock Island road, Thursday, September 25th, at one o'clock p. m., horses, cattle, hogs, chickens, farm machinery, household furniture, etc. 1 acres corn in field, 200 bushels oats in bin, 9 cords dry stove wood. 2113 EDWARD O'CONNELL.

CARD OF THANKS

We wish to extend our thanks to our many friends who so kindly assisted in the funeral of our infant son, Charles Nett, Sunday afternoon, and for the beautiful floral offerings.

Mr. and Mrs. George Hoffman.

GIRLS IN PACKAGE DEPARTMENT. STEADY WORK. GOOD WAGES. APPLY TO MR. LAUDER, UNIVERSAL OATS CO. 19517

METHODIST MENTION.

Despite the rainy Sunday large crowds attended the "Bible Day" services at the Methodist church. About four hundred were at Sunday school. Everyone enjoyed the music given by the Ladies Quartet. Those who sang were the Misses Mary Hintz, Ada Brink, Orr Floto and Marcella McWethy. The Epworth League was led by Miss White.

The meeting was exceptionally good. Miss Evelyn Street sang a pleasing solo. A large crowd assembled for the evening service. The Men's Chorus sang three numbers. Mr. Ahrens led in the evening's music. The singing was of high merit and reflected great credit on the leader and members. The many expressions of satisfaction gave evidence that everybody enjoyed the hour of worship.

The Neighbourly Class, under the able leadership of their efficient president, A. E. Taylor, decorated the church with autumn flowers and ferns.

Rev. Ernest C. Lunsden preached at both services. His sermons dealt largely with the thought of Bible Day and the Christian's relationship to the problems of the present.

Mrs. L. E. Edwards sang a beautiful solo at the morning service. Mrs. Blake Grover presided in her usual efficient way at the organ.

The whole day was inspirational and enjoyable.

Right Definition of a Classic.

A classic is properly a book which maintains itself by virtue of that happy consciousness of matter and style, that innate and exquisite sympathy between the thought that gives life and the form that consents to every mood and of grace and dignity, which can be simple without being vulgar, elevated without being distant, and which is something neither ancient nor modern, always new and incapable of growing old.—Lowell.

Farmers should have their return card printed on their envelopes. We can do it for you. E. F. Shaw Pig. Co.

CLAIM AUSTRIAN RED BOOK SHOWS AUSTRIA RESPONSIBLE FOR WAR

German Papers Contend It Shows Germany Tried to Avoid Conflict.

By Associated Press Leased Wire

Berlin, Sunday, Sept. 21.—(Delayed)—German newspapers today are arguing that the red book just received by the Austrian government proves Germany tried earnestly to prevent the outbreak of the great war in 1914 and that Count Leopold von Berchtold, Austrian foreign minister in 1914, bears the bulk of the responsibility by his "underhand tactics and deception."

The belief that Germany can demand a revision of the peace terms on the strength of the red book is expressed by the Boersen Zeitung which intimates that the publication of the red book was planned to bring about such a demand.

The Kreuz Zeitung denounces what it calls the "inextinguishable guilt of Austrian diplomacy," while several other newspapers praise the courage and honesty that brought about the revelations of the red book. The Tageblatt says Germany was required to keep silence about facts at the peace conference so as not to hinder Austria's chances for a better peace.

Almost the only newspaper to criticize the German government is the Tageblatt which says the government in 1914 "did not show the slightest interest in the situation and slighted idiotically," adding that "Germans in power at that time played the part of thorough-going fools." The newspaper declares the revelations of the red book an "awful disgrace for Germany."

"The governmental incapacity of the Hohenzollerns for the last thirty years was our guilt, for which we now must pay," the newspaper concludes.

ODDS AND ENDS.

ROCKFORD—The Rockford police department has been asked to aid in a search for Miss Mildred Jacobs, of Rock, who has been missing for several days.

The young woman left Rock, or at least is supposed to have left there, for Freeport, via the interurban road, but failed to reach her destination.

FREEPORT—While playing around eastern Tony Mongiolo, the 4-year-old son of Mr. and Mrs. Frank Mongiolo, no. 11 Ironquills street, accidentally fell into the opening and was drowned before aid could reach him.

SYCAMORE—Frank B. Lloyd, president of the Sycamore Farmers' club, has sold his farm two miles north of his city to A. W. Johnson of Schaller, Ia. The farm contains 104 acres, and at price paid was \$475 an acre totaling \$44,200. It is the highest price recorded for farm land in DeKalb county to date. Possession will be given March 1, 1920.

ROCKFORD—Glenn E. Plumb, at the Rock Island railroad bill that was designed to give employees a share in the profits of the roads, has accepted an invitation to speak in Rockford before the Kiwanis club late in October or early in November.

Leona Wibralski, and Leo Wirsching,
of Peru, motored here and are guests
at the home of Mr. and Mrs. W. F.
Hoberg.

DANCING PARTY—

On next Monday evening "The Trav-
elers from the East" will give a dan-
cing party in Masonic hall. No invita-
tion will be issued but those who re-
ceived invitations last year are cordial-
ly invited. This will be their first party
of the season.

PARLOR CLUB CARD PARTY—

The members of the O. E. S. Parlor
club are giving a card party on Thurs-
day evening, opening at 8 o'clock, to
which all members of the various Ma-
sonic organizations and their friends
are invited. Refreshments will be served.
A small admission is asked. The
ladies are putting forth every effort to
make this opening affair of their social
events of this fall a great success.

PLAN HALLOWEEN PARTY—

A Halloween party has been an-
nounced by The Travelers from the
East for Monday evening, October 27th,
to be given in Rosbrook hall. Invita-
tions will be issued in the near future.

two weeks' visit in Chicago with their
brother and son. Mrs. Hanlon resum-
ed her duties at the A. L. Geisenheimer
& Co., store this morning at the close
of a three weeks' vacation.

LICENSED IN SPRINGFIELD—

Springfield, Ill., Sept. 22.—R. J. Shat-
ter, 339 Lincoln way, Dixon, and Miss
Jeane Jones, 408 West First street, Lan-
coln, Ill., were issued a marriage license
here this afternoon.SAYS WILSON WOULD
GIVE OUR SOVEREIGN
RIGHTS TO ALIENSSenator Reed Doesn't Want
31 States Minding
U. S. Business.

By Associated Press Leased Wire

Washington, Sept. 22.—Speaking in
the senate today against the league of
nations, Senator Reed, democrat, Mis-
souri, declared that while Washington
ought to establish this nation's right
as a sovereign to control its own affairs,
"Woodrow Wilson counsels with the
representatives of kings to transfer the
sovereignty Washington gained to a
league which they will dominate."
"Dropping into common phraseology,"
Senator Reed added, "when America
acquires the right to stick her nose into
the business" of thirty-one alien
states, she gives the right to thirty-one
alien states to stick their 31 alien noses
into the business of America. The man
who is willing to give to any nation or
assembly of nations the right to
mind the business of the American peo-
ple ought to disclaim American citizen-
ship and emigrate to the country he is
willing to hand over America's business
for her."

Takes Wilson to Task.

The Missouri senator took the pre-
sident sharply to task for assailing sen-
ators who failed to subscribe to his
views on the league, saying the man
who refused "to surrender with the pen
what Washington gained with the
sword," is politely described as a com-
petent quitter."Because members of the senate had
not immediately approved the treaty,
the president, Senator Reed said, had
in substance charged them with treason-
able practices and intimating that they
are now conspiring with Germany, a
country with which we are technically
at war," and added, "the statement is as
false as it is infamous."Senator Reed discussed various pro-
visions of the league covenant, said the
membership would be composed of ap-
proximately "three dark skinned men
for each white man" and that from the
first "a majority of the league will al-
ways vote for race equality."
Pointing out that it had long been the
business of each state to have regard
for its own interests, Senator Reed said
the man who imagined that mem-
bership in the league would change this
century-old disposition "is a visionary
indeed."

ENTERED HARVARD

Emmett L. Wingert, a former resi-
dent of Dixon and a student in the local
high school, has entered the law depart-
ment of the Harvard university. He
graduated this summer from Beloit,
where he has made his home.

Calendar Facts.

The month of January always begins
on the same day of the week as Oc-
tober and the same is true of April
and July, September and December,
February, March and November also
begin on the same day of the week.
This, however, is only true in normal
years of 365 days. A century can never
begin on Wednesday, Friday or Satur-
day. Furthermore, the ordinary year
ends on the same day of the week as
that on which it begins.

Not Meant for Household Pets.

If taken young the grizzly is easy
enough to handle, for at birth he
weighs only from 10 to 20 ounces and
is about the size of a full-grown chip-
munk. Later the bears run between
350 and 600 pounds in weight, although
they have been known to reach 1,500
pounds. This, of course, makes the
domestication of grizzlies by apart-
ment house dwellers difficult.

Gruesome Blinding.

There is a copy of Milton's poems
in the public library at Exeter (Eng.)
bound in part of the skin of George
Cudmore, who, with Sarah Dunn, was
committed to the Devon county jail on
October 30, 1829, for murdering his
wife by poisoning her, was tried at the
Lent assizes in the following year, and
executed on March 25, 1830.Rev. J. J. Johnson is expected to re-
turn this week from Cedar Rapids, Ia.,
where he has been in charge of evan-
gelistic services.Mrs. George Eichenberg went to
Peru Saturday where she was present
at her mother's 89th birthday anniver-
sary celebration yesterday. She will re-
turn to Dixon tomorrow.Edgar Crawford, of Nachusa, and Joe
E. Miller and son, Leo, of this city have
returned home from a business trip to
Pitt, Mich.Mr. and Mrs. Charles Adams, of
Pennsylvania Corners, were Saturday
traders.Mrs. Benj. Amey was here Saturday
from the Dr. Aydelotte farm.Those who receive their Telegraph
by mail please look at the little yellow
tag when your time is up.STAG FEED FOR POLO
SOLDIERS THURSDAYThe people of Polo have arranged a
big "feed" for their ex-service men for
Thursday evening, and the affair prom-
ises to be of unusual interest. It is to
be strictly a "stag" affair and there
will be plenty of entertainment and no
speeches.Had Operation—Miss Blanch Chap-
man underwent an operation for ap-
pendicitis at the Dixon hospital this
morning.

ling, were guests Sunday at the home
of Mrs. Grundy's parents, Mr. and Mrs.
Cheatle.

RETURNED FROM DECATUR—

Mrs. John Weitzel has returned from
a visit in Decatur with her sister, Mrs.
Clifford Hatch.

Velocity of Stars.

From the spectroscopic measure-
ments made at Mt. Wilson observatory
stars (i. e., the speed with which they
are approaching or receding from our
solar system), it appears that the star
A. G. Berlin has a radial velocity of
339 kilometers a second, the highest
constant velocity so far observed for
any star. Next to this comes Lelande,
with a velocity of 325 kilometers a
second, in the opposite direction.

Memory Must Be Cultivated.

In any system of mental develop-
ment, the memory must be cultivated
at the outset, and that cultivation
must continue unceasingly. It is for-
tunate indeed that every average per-
son has a mind capable of excellent
memory. It is only necessary that the
native powers should be properly em-
ployed.FIVE DIVORCES ARE
GRANTED BY COURTHarmon Man Pleaded to
Charge of Transport-
ing Booze.The opening hours of the circuit
court today were devoted to a field day
for divorce cases. Judge Heard listen-
ed attentively to five pleas for separa-
tion and separate maintenance as fol-
lows:Abbie N. Mahoney vs. Frank Mahon-
ey.

Nina Shank vs. William Shank.

Laura E. Mossholder vs. Russell H.
Mossholder.

Frank Whitaker vs. Letha Whitaker.

Myrtle West vs. John F. West.

The first panel of the petit jury for
the second and third weeks reported
this afternoon at 1:30. About half of
the panel asked to be excused from
duty but very few were excused, from
the court. The first case was called
shortly after 2 o'clock when a jury was
selected and the case of Zulowski vs.
Full and others was started. Lieut.
Fred Gardner, recently discharged from
the army aerial service was present in
this case, representing the interests of
the complainant.William Blackburn of Harmon town-
ship, was present in court this after-
noon and entered a plea of guilty to a
charge of transporting liquor on a pub-
lic highway. He was arrested on the
night of the Barnes circus in Dixon
when a quantity of whiskey was found
in his automobile. Judge Heard re-
quested State's Attorney Harry Ed-
wards to introduce evidence in the case
and Chief of Police J. D. Van Bibber
was summoned to testify. Emanuel
May, residing east of Dixon, was also
in court and will probably have his case,
which is similar to that of Blackburn's,
disposed of this afternoon.Belgian King and
Family Are En RouteBy Associated Press Leased Wire
Brussels, Sept. 22.—King Albert,
Queen Elizabeth and Crown Prince Leo-
pold left Brussels this morning at 8:50
o'clock for Ostend where they will go
on board the steamer George Washing-
ton for their voyage to the United
States.

Matter of Adaptability.

Adaptability works toward content-
ment; to fit ourselves willingly and
cheerfully into the changed conditions
that exist today in countless homes
throughout this broad land means the
lifting of another heavy burden from
the heads of the households. Many
things in our way of living which we
would have once called essentials we
now regard as useless, taxing our time
and resources. And yet we can live
fully, pleasantly, even more smoothly
than in other days.—Exchange.

A Great Advantage.

The principal of a college was lec-
turing his staff of teachers upon effi-
ciency. "What," he demanded, "would
be thought of a glove-maker who at the
close of the season found 10 per cent
of his stock returned because it fell
below standard requirements? Why
should we require a 100 per cent effi-
ciency of the glove-maker and only 90
per cent of a teacher?" "Because," re-
sponded a teacher, "he can select his
kids."

Her Last Social Function

My small son on coming home from
school one noon said to me: "Mother,
I'm going over to Bundy's home this
afternoon." On my asking what he
was going for he replied: "Why, don't
you know his grandma is having her
funeral this afternoon?"—Chicago Tri-
bune.

Our Big 5 Day Money Saving Sale

Starts Tues., 8 a. m.—Ends Sat., 10 p. m.

Lost Appeal to Gov.By Associated Press Leased Wire
Springfield, Ill., Sept. 22.—Governor
Lowden denied clemency today to John
Campbell, Arthur W. Robertson, Charles
Maves and Michael Kuchinski of Chi-
cago, serving sentences for conspiracy.
The men were convicted in Cook coun-
ty in July, 1917, for fomenting strikes
and then accepting money from em-
ployers for settlement of the distur-
bances while acting as business agents.
Among other denials were those af-
fecting George Roberts and Horace
Thomas serving terms for murder in
connection with the East St. Louis
race riots; Frank Grove, Whiteside
county, receiving stolen property; John
Clark and Harvey R. Fields, Alexander
county, murder; Hugh M. McCandless,
St. Clair county, murder.

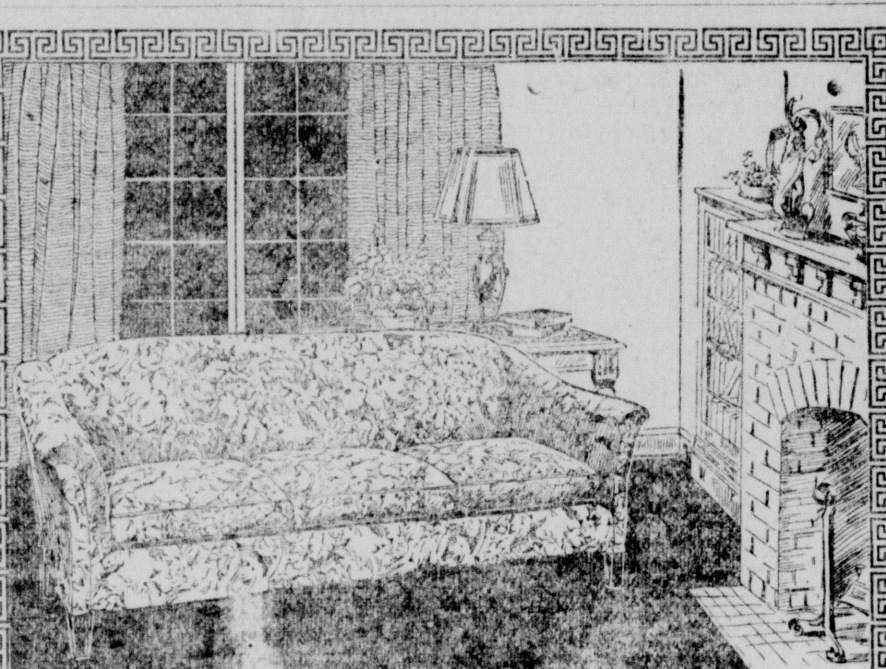

PETROGRAD CITY OF MISERY

Incident Recorded by Maxim Gorky
Reveals Frightful Conditions in
the Great Russian Capital.Maxim Gorky has written several
sketches of human interest bearing on
events in the Russian revolution,
which appear in a recent number of
the Sueddeutschen Monatshefte. Among
them the following adventure of a
young woman in the streets of Petro-
grad late at night, written in Gorky's
characteristic style:A young woman tells me:
"I was with my sick sister until late
and left her at midnight to go home,
just when all the lights in the streets
were extinguished. The streets were
dark and ghostly figures stood in
doorways—one could not tell whether
they were watchmen or robbers. As
I hurried along I suddenly heard
heavy steps behind me, I looked
around fearfully. A man in military
uniform, slender and with pale face
and hollow eyes, was following me.""There was nobody else in sight and
no signs of a cab. The man continued
following me like fate. My God, I
thought, is he going to rob me or, per-
haps, do something even worse? I took
my gold bracelets from my arms and
hid them in folds of my dress. He ap-
proached me, and in a soft, sad mus-
ical voice, said:"Madam."
"I made no reply, but hurried on.
He, however, kept pace beside me.
"You are afraid of me?"
"Leave me, leave me!" I cried.
"He laughed—a forced, tragic laugh,
and said:"Don't you see I simply want to
ask for alms? I have not had a bite
to eat in two days. I am an officer
and a respectable man. But, by God!
if I don't get anything to eat I will not
be responsible for myself. Help me, I
know you can.""I looked steadily at him now.
Never will I forget those hollow, hun-
gry eyes and the teeth showing under
a small black mustache. I opened my
purse and put some money in his ex-
tended palm."But where are you going to get
something to eat at this time of the
night? I said. 'All stores and shops
are closed. Come with me and I will
prepare some coffee for you. I also
have some bread.'""He shook his head.
"No," he said sadly. "I cannot do
that; I want no one ever to know."
"He bowed gracefully and stepped
back."And what will you do for food
when this little money is spent? What
will you do tomorrow?"
"I thank you, pardon me—ah, to-
morrow? Tomorrow!""He kept on repeating the word as
he left me, and soon his figure was
like a ghost disappearing into the
darkness of a tomb."—Healo, Healo, Healo makes old feet
young.

ABE MARTIN.

One good thing, a actors' strike
couldn't tie up nothin' but a few hun-
dred thousand folks that can't bear t'
stay at home. Tipton Bud got his wife's
mail th' other day an 'carried a twelve
pound piece o' army bacon around a
week before he remembered t' give it
t' her.

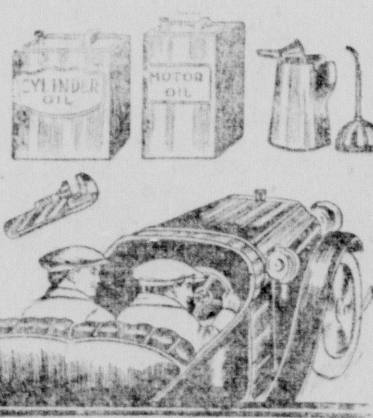

Edinburgh Landmark Gone.

An interesting bit of old Edinburgh,
dating back about 1600, has been burn-
ed. The destroyed building, which con-
sisted of a single story and attic, was
one of the landmarks of the Holyrood
area. It was the old Yew Tree tavern,
and stood inside the bounds of the
Holyrood sanctuary for debtors, within
which, in days of yore, the fugitive
was free from the attentions of his
creditors.Karpen All-Upholstered
DavenportAll-upholstered furniture can be
adapted to the simplest or
most pretentious interiors and is
always in good taste, where com-
fort is the keynote.Overstuffed furniture depends for its beauty
upon the art of the upholsterer; the good
lines and exact proportions in these Karpen
productions are evidences of skilled work-
manship.Sumptuous comfort, good style and durable con-
struction distinguish this Karpen davenport of
generous size—80 inches long, 34 inches high.Maximum comfort is provided by the full spring
back and Karpenesque spring cushions resting on a
deep spring seat. Adapted to tapestry, velour or
plush covering.Our line of Karpen all-upholstered furniture
offers a variety of styles in davenports, chairs
and rockers, day beds, and complete suites.YOU CAN DO BETTER

MAJORITY STEEL STRIKERS ARE FOREIGNERS

CHICAGO CENTER OF DISTRICT HIT HARD BY STRIKE

(Continued from page one.)

to preserve order. Don't interfere with any one who does not disobey orders." In defiance of the orders of the international body not to strike, the steam and operating engineers upon whom the movement of material inside the mill depends, went out today. Mill officials claim enough non-union men are left in this department to operate the donkey engines, cranes, etc.

Claim Only Three

Percent Are Working

By mid-forenoon the union leaders here claimed that only three percent of the day shifts had gone to work.

At the Illinois steel plant officials said that 3,000 out of 12,000 men on day shift were at work.

Eight of the 12 blast furnaces at the Illinois steel plant were banked, officials said.

Switchmen's union officials said that rail traffic in the yards of the various steel plants was completely tied up.

Engineers in Most

Chicago Plants Working

By Associated Press Leased Wire
Chicago, Sept. 22.—With the possible exception of the engineers employed in the steel mills at Gary, Ind., and Joliet, Ill., all members of the international union of steam and operative engineers reported for work at the steel plants today, according to information reaching H. M. Comerford, general treasurer and secretary of the union.

The strike of the steel workers was not approved by the engineers and they were instructed to remain at their work. Secretary Comerford said that 200 engineers in the Gary plants, despite instructions not to strike, were undecided in regard to joining the walk-out. If they finally decided to strike, they would have to accept the responsibility, Secretary Comerford said.

Only a few of the engineers in the steel plants at Joliet failed to report for work, reports said.

Predicts All South

Chicago Plants Will Close

L. M. Rogan, secretary of the allied iron and steel unions, predicted that by 6 o'clock tonight nearly all plants in South Chicago would be tied up. Two of the three blast furnaces of the Wisconsin steel company would be shut down, he said, explaining that the third would be operated by men who will soon be eligible for pensions.

Mr. Rogan acknowledged that seventy-five percent of the employees of the Interstate Iron and Steel company reported for work. He said these men had not perfected their organization; but would do so at a mass meeting tonight.

All South Chicago steel workers have been invited to attend a big mass meeting tonight.

Warren, O., Plants Running Full Force

By Associated Press Leased Wire
Warren, O., Sept. 22.—The Trumbull Steel company of this city, employing 5,000 men, and the Liberty Steel company, employing 1,500 were operating their plants at full force today, company officials announced. They stated the strike had not affected them and few of their men were out.

By Associated Press Leased Wire
Portsmouth, O., Sept. 22.—The steel plant of the Whitaker-Glessner company, located at New Boston, near here, was operating at full capacity this morning.

By Associated Press Leased Wire
Canton, O., Sept. 22.—Reports from Canton mills today are that all plants except the united alloy, are operating though many workmen are absent.

COME IN

Edson's

110 W. First St.

By Associated Press Leased Wire
Beaver, Pa., Sept. 22.—According to reports the steel strike did not greatly affect plants in Beaver county. A few foreigners, it was said, remained away from the works.

By Associated Press Leased Wire
Hammond, Ind., Sept. 22.—All the steel plants in Hammond were in operation apparently about as usual this forenoon.

The Hammond plants employ about 3,000 men outside of those at the Standard Steel Car company, where a strike has been on for several weeks. The Standard employs about 3,000 men normally, and recently had had about 500 men at work on each shift, or about half of capacity. The five hundred men on the day shift were reported at work this forenoon.

Gary Mills Work with Reduced Forces

By Associated Press Leased Wire
Gary, Ind., Sept. 22.—Many steel workers failed to report for work when the whistles blew at six o'clock this morning at the steel mills here, although no official estimate was made by either side. The day force here is nominally 7,500, the total for all the shifts approximating 21,000.

All the mills were in operation with reduced forces, but no disorders occurred during the early part of the day.

It was said that the tin mills were operating with a force more nearly normal than the American bridge company, both subsidiaries of the United States steel company.

Men at Work in Lorrain, O., Plants

By Associated Press Leased Wire
Lorrain, Ohio, Sept. 22.—Officials of steel plants here and in Elyria announced that their mills opened as usual this morning with practically all of their men working.

Officials of the national tube company, a local subsidiary of the United States steel corporation issued a statement that all of the five thousand men on the day shift had returned to work. Cromwell Steel company officials said their four hundred men did not strike.

Waukegan Factories Hard Hit By Walkout

By Associated Press Leased Wire
Waukegan, Ill., Sept. 22.—Officials of the American steel and wire company announced today that approximately thirty per cent of the 1800 employees reported for work. Union leaders, however, claimed that between eighty-five and ninety per cent of the workers responded to the strike call.

Many Walked Out at Joliet Factories

By Associated Press Leased Wire
Joliet, Ill., Sept. 22.—Making good on their decision to walk out at midnight determined at a meeting yesterday which 3500 workers attended, many

of the employees of the Illinois steel company plant here failed to go to work today. At six o'clock this morning when the day shift was due to come on it was impossible to determine whether sufficient men had reported to continue operation of the mill. D. R. Mathias, superintendent announced that the mill would operate as long as there were men to work. Today will determine whether this is possible. There is no violence and practically no picketing.

MORNING STRIKE REPORT

By Associated Press Leased Wire
Chicago, Sept. 22.—Numbers of workers in plants of the United States steel corporation at Gary, South Chicago, Joliet and Indiana Harbor, all in the Chicago district, at midnight, joined the nation wide strike of steel workers called for this morning, but early today neither representatives of the men nor officials of the company were prepared to give exact figures as to the number of employees who had left their work. It was admitted by company officials that others would fail to report for work at eight o'clock, the hour for changing shifts.

90,000 in Chicago District
The number of steel workers employed in the Chicago district is estimated at 90,000, and representatives of the unions today held to their previous claims that at least 85 per cent of these workers would strike. Company officials said the number of men who would quit work would not exceed twenty per cent of the total and might not go above fifteen per cent.

Engineers Threaten Strike
Six of the eleven blast furnaces at the South Chicago plant were closed during the night and should the engineers carry out their threat to strike, it was said a total of thirty-nine blast furnaces in the Chicago district, which includes for miles within a radius of ninety miles of this city, would be compelled to close. Shutting down of the blast furnaces would affect the rolling mills and other branches of the steel industry.

While the engineers at Gary, Indiana Harbor, Hammond and Joliet have voted to strike in sympathy with the steel workers, it was said such action was in opposition to orders from their international officers.

Half Out at Joliet
At Joliet union officials claimed that nine hundred men out of the four thousand employed at the Illinois steel company's plant there walked out during the night and that before the day was over more than one-half of the force would be out.

No disorders beyond the jeering in a few instances by strike sympathizers of men on their way to work, had been reported early today from any of the plants in the district.

Many Police Assigned
Six hundred patrolmen of the Chicago police department were detailed on strike duty, two hundred of whom were distributed at various plants around the city, the remainder being held in reserve in case of trouble.

John Fitzpatrick, chairman of the national committee in charge of organization of the steel workers of the country, went to Gary today where he will open headquarters from which to conduct the strike in this district.

LEADERS CLAIM FOURTH MILLION WORKERS ARE OUT

(Continued from page one.)

What percentage of the workers answered the whistle, officials of the company would not say early today. The chief of police of the town, who is in close touch with the officials of the works, said the majority of the Americans employed there went to work and that the strikers were largely foreigners. Foreman in small departments said the "usual number" of men went to work.

At Braddock, where the United States steel corporation has extensive works, and also at Homestead, crowds of men walked the streets but every one was kept moving. No early reports came from steel corporation sources of the effect of the strike.

The Carnegie Steel company did not issue a formal statement but gave out for publication information which, it was announced, came to the offices here from superintendents of various plants.

Carnegie Plants Maintain Operations

At Homestead, where the company's largest works are located, the Carnegie representatives said, whole departments are in operation with a few men absent. The men, it was stated, walked to work in large bodies. Some of the blast furnaces were banked. The same situation was reported at the company's Edgar Thompson works at Braddock. At the Carnegie plant at Duquesne, the company said, its information was that the works were in 100 percent operation.

The Carrie furnaces of the Carnegie company at Rankin were reported to the offices here as not operating full, approximately 15 percent of the men remaining away.

Situation Worst at Clairton Works

At Clairton, where the Carnegie by-product coke works are situated and where the Pennsylvania state police clashed yesterday with a crowd of men in breaking up a mass meeting, the situation was reported worse than at any other place heard from by the company.

At Newcastles, the Carnegie rolling mills and blast furnaces were reported in good shape with one furnace banked down and with all the men concentrated on the other furnaces.

All the plants of the Carnegie company within the city of Pittsburgh were reported to the company, it was said, as operating close to 100 percent. Summing up, the representative of the company said the "situation might have been worse." He said that in all plants where men failed to report they were nearly all foreigners.

Strike Will Be Felt in Two Days

Mr. Foster, in his review of the sit-

uation from his early reports, said he was agreeably surprised at the number of men out. "It will be two days before the full weight of the strike will be felt," he said. He disputed the information given out by the Carnegie company and said that Homestead and Braddock were in "bad shape."

Mr. Foster said his reports showed that the Carnegie plants at Donora and Monessen were completely shut down, a total of three men reporting for work in the two places.

Representatives of the Jones & Laughlin Steel company reported that all the plants of the company are working 100 percent.

From labor, corporation and police sources came the information that there was no trouble reported anywhere in the Pittsburgh district during the early hours of the strike.

Information from the employers side was to the effect that the strike line is sharply drawn between Americans and foreigners. The Americans, it was said, as a rule went to work, while foreigners were in the big majority among the strikers.

Many Blast Furnaces Banked Say Officials

Blast furnaces, according to company sources, where the largest percentage of foreigners are employed, were the hardest hit. The furnaces, it was said, were expected to be the weakest spots from the corporation point of view.

Reports from the West Penn and Allegheny steel companies were to the effect that 35 percent of their men, virtually all foreigners, failed to report for work.

800 Out of 1800

Quit in Milwaukee

By Associated Press Leased Wire
Milwaukee, Sept. 22.—About 800 out of 1800 employees of the Illinois steel company, a subsidiary of the United States steel corporation, located at Bay View, Milwaukee, failed to report for duty this morning, according to members of the steel workers' union.

South Chicago Mills Forced to Close Today

By Associated Press Leased Wire
Chicago, Sept. 22.—The steel mills south of Chicago of the Illinois Steel company, closed this morning, only a few foremen remaining to draw the fires in the furnaces. It was estimated

by union officials that ninety-five per cent of the four thousand men on the day shift in the plant failed to report for work. No official figures were given out by the company.

Many Cleveland Mills

Closed Down Early Today

By Associated Press Leased Wire
Cleveland, Sept. 22.—Union leaders claimed that at least 15,000 steel workers are on strike this morning and that plants of some of the independent mills were closed. Company officials would make no statement.

The sixteen mills of the American steel and wire company, a steel corporation subsidiary employing 9,000 men, were completely closed down. The McKinney steel company, the largest independent plant was also shut down. The Bourne Fuller company plant, another independent employing 2,600 men was reported idle.

Youngstown Officials Say Strike is Success

By Associated Press Leased Wire
Youngstown, O., Sept. 22.—Early reports from the various steel mill centers at 8 o'clock this morning indicated that men had obeyed the strike orders generally and that practically all mills in the Mahoning valley either were badly crippled or may be forced to suspend operation altogether. At union headquarters it was declared that the strike is a complete success and that every mill is closed.

Pueblo, Col., Plants Hit Hard By Strike

By Associated Press Leased Wire
Pueblo, Colo., Sept. 22.—About 2,000 men of the first morning shift at the Minnequa plant of the Colorado fuel and iron company here did not go to work this morning. Instead they gathered in Bessemer city park near the plant. It was estimated 80 per cent of the first shift failed to report.

The steel plant of the Colorado fuel and iron company at Pueblo closed this morning as a result of the strike of workers, according to a statement issued at the offices of the company.

Not enough men reported to operate the plant, it was said.

If you have anything at all that you wish to dispose of try a "For Sale" ad in the Telegraph. You are sure to get results.

No Strike at Steel Company's Duluth Mill.

By Associated Press Leased Wire
Duluth, Sept. 22.—There is no strike at the Minnesota steel company's plant here, according to officials of the company this morning. The men are reported unorganized, and it was stated no man quit work.

News from the steel corporation's mines on the range is incomplete but the general tenor is that men there reported this morning for work as usual.

300 of Over 5000

All That Left Midvale

By Associated Press Leased Wire
Coatesville, Pa., Sept. 22.—Of the total of more than 5,000 men employed by the Coatesville branch of the Midvale steel corporation, and the Lukens Steel company, between 200 and 300 remained away at the former and 100 at the latter. Most of those on strike are foreign laborers.

Bethlehem Workers Refused to Go Out

By Associated Press Leased Wire
Bethlehem, Pa., Sept. 22.—Delegates representing all the unions of the 35,000 employees of the Bethlehem steel company at a meeting last night decided they would not participate in the strike at present. Instead they will await the outcome of a meeting they expect to have with the company officials.

Union leaders say if they fail to secure a conference by 4 p. m. Thursday the national committee will be asked to call a strike for next Monday.

Labor heads express the hope that Charles M. Schwab will consider their grievances and avoid a strike.

Senators Hold U. S. Can Give France Aid

By Associated Press Leased Wire
Washington, Sept. 22.—By unanimous vote of the six members present, the senate judiciary committee decided today that the proposed treaty guaranteeing immediate assistance of this country to France, in the event of an unprovoked attack by Germany was constitutional. Twelve members were absent and their votes were not cast.

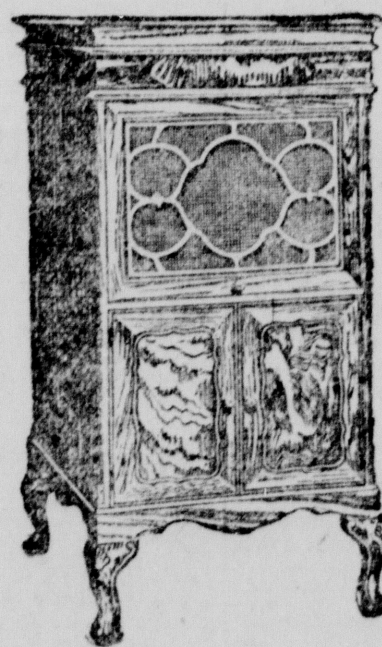

Announcement

We have just added to our line of
Musical Instruments the Famous

The CHENEY
PHONOGRAPH
Plays all records—better

Our aim has always been to sell only musical instruments of the highest merit. Therefore, after a careful and thorough examination and tone test of the Cheney, we unhesitatingly recommend it to our friends and customers.

The serene purity of Cheney tone and the exquisite art of Cheney cabinet design, set a new standard in Phonographs.

We invite you to visit our store and have us demonstrate this wonderful instrument for you.

Theo. J. Miller & Sons
ESTABLISHED 1873

Have You Examined
A Smart Five-Passenger Model of
the Light Car Men Praise so Highly
The Essex Sedan?

You must have seen this dainty new Essex.

More than a thousand are in service.

You Will Recognize It At a Glance

It comes in the same beautiful green that distinguishes the Essex touring car. The body is simple with the newest square lines, low roof, but with ample head room, wide doors, deep seats and high backs.

Has Large Car Comforts With Small Car Costs

For one reason, men speak of the Essex as they do, because of its costly car finish and equipment. The Essex has no useless length or weight and no sacrifice has been made in any of the comforts. It has all the passenger space that larger cars afford.

You have but to ride in an Essex to know its comfort. There is the large car's solidness about it that removes all sense of its weight or size.

And yet its size gives distinct advantages.

It makes the Essex easy to drive. It can be steered with two fingers. It can be turned in a short radius, parked in a small space, and of course there is an immense saving in operating cost.

And, too, its size accounts for its costly car quality at a moderate price.

It is Just as Lively as the Other Essex

Many will tell you the fastest automobile ride they ever enjoyed was in an Essex.

Others say it is the quickest and liveliest car in acceleration they know. We leave it to the Essex to reveal those qualities.

But rest assured it is not sluggish. It gives way to no car where acceleration, speed and comfort of driving and riding are concerned.

The season when the Sedan will be most enjoyed is approaching. So you should speak for your Essex without delay. The one thousand in service, to say nothing of ten times as many touring models in use, indicates a continued Essex shortage.

JACK TAYLOR MOTOR CO.

PHONE 201

122 EAST FIRST ST.

DIXON, ILL.

WILL TAKE FEDERAL CENSUS IN ONE MONTH

90,000 Enumerators Will Be Engaged in Decennial Job.

Ninety thousand enumerators will be given a month in which to take the census of the United States next year. That is one enumerator to every thousand persons as shown by the census of 1910, the last taken by the government.

Enumerators will begin work January 2 and will be expected to complete their jobs in cities in two weeks and in the rural communities in a month.

Supervisors will direct the work in each congressional district, and these officials have nearly all been selected.

The compensation allotted by law is \$1,500 plus \$1 for each thousand or major fraction of a thousand population enumerated within his district. The compensation in this district will be close to \$2,000. Clerk hire and other necessary expenses are paid by the government.

Information Gained.

In addition to the detailed inquiry in regard to the number, composition and characteristics of the population, the census will include canvasses of agriculture, of manufacturing industries, of mines and quarries, of oil and gas wells, and of forestry and forestry products.

The information sought from each household will comprise the following: Place of abode; relationship to head of family; color; sex; age; conjugal condition; place of birth; place of birth of parents; nationality or mother tongue of all persons born in foreign countries; nationality or mother tongue of parents of foreign birth; number of years in the United States; citizenship; occupation; whether or not employed or employee; whether or not engaged in agriculture, school attendance; literacy and tenure of home and encumbrance upon it.

"Floaters" Provided For.

The enumerator will visit each home or other dwelling place, such as hotels, boarding houses, etc., and procure the foregoing data from the head of the household and some person qualified to give the information. Each person is to be enumerated at the place where he or she regularly "sleeps," not where employed or where temporarily sojourning. "Floaters" having no regular or fixed abiding place will be enumerated as residents of the locality in which they are found when the census is taken.

Valuable information will be gathered by the census enumerators on the agricultural situation. Each farmer visited will be asked to furnish acreage of farm property and woodland; value of farm and improvements, and the encumbrance thereon, and number of livestock and other farm products for the year ending Dec. 31, 1919.

Specialists On Manufacturing.

Similar information data will be sought in the manufacturing census which is to be taken by a special field force of 1500 agents. The information obtained will cover the name and location of the establishment, character of organization, character and kind of goods manufactured, amount of capital invested, number of proprietors, firm members, co-partners or officers, with their salaries, the number of employees and their salaries, quantity and cost of materials used in manufactures, character and quantity of power and machinery used, and the quantity and value of products turned out.

The data to be compiled by the bureau of census through the forthcoming canvass will provide much information of value in a statistical way. For example, the ratio of males to females in the country at large and in the various localities will be shown, as well as the age distribution of the population, the degree of illiteracy, the distribution of negroes and other non-white elements, the number of distribution of the foreign stock in the United States, the extent of interstate migration and the distribution of the population as regards occupations. The coming census will show the population in the continental United States of between 165,000,000 and 110,000,000.

OAK RIDGE.

Mrs. Kyker, who has been quite ill is better.

Many of the farmers of this vicinity are busy filling their silos.

Mr. and Mrs. Carl Warner visited over Sunday at the home of Mrs. Warner's parents in Harmon.

Miss Beulah Pettinger, of Franklin Grove, spent last week with friends on the Ridge.

Mr. and Mrs. James Warner, of near Oregon, spent last Tuesday at the Leonard Law home.

John Young sold several houses to the horse buyers recently.

Mrs. Edward Wrang spent several days with her mother, Mrs. Kyker.

Dewitt Warner is having the cement work done on his new buildings.

Mrs. Charles Johnson, of Dixon, spent several days with her children here.

Government-Built Fleet Relinquished

By Associated Press Leased Wire

Washington, Sept. 22.—A merchant marine policy contemplating gradual relinquishment to private operation of the large vessels of the government-built fleet and immediate sale of the smaller vessels has been formulated by the executive committee of the national merchant marine association, it was announced today by Edward B. Burling, chairman of the committee.

Counterfeit \$20 Bill is in Circulation Now

By Associated Press Leased Wire

Washington, Sept. 22.—Notice of a new counterfeit \$20 note on the federal reserve bank of New York was given today by the treasury. The border of the note and the background of Cleveland's portrait are solid black, instead of having fine cross lines, and the treasury numbers are black instead of blue.

ARMED MEN GOING TO CANADA ON A PEACEFUL MISSION

A Snapshot for Gun or Camera

A mighty mobilization has been in progress for weeks. Rifles, shot-guns and fowling pieces have been oiled and adjusted to perfection of action; ammunition has been collected; campaigns have been outlined. New the army is moving. It will not pit its strength against another army of men, but against the birds and beasts of the wilds. The annual exodus of hunters swarming into the north woods is taking place.

There is lots of good hunting in the States, but as it is always more fun to play in the other fellow's yard, so it is more fascinating to hunt in another country. Add to this the fact that the Canadian woods are rich in game, large and small; that no passport formalities are imposed and it is not surprising to find American sportsmen streaming

across the border into the hunting grounds of our northern neighbor.

From Nova Scotia to Vancouver and from the border to the Arctic circle is a wide field, yet one where game can be found almost anywhere. Hunters have the widest choice of localities and game. To hunt in the Cassiar District of the northwest is the ambition of every hunter of big game. Moose, caribou, goats and bears are so plentiful there that a full bag is assured to every comer.

For those who cannot take the long trip to the Cassiars, there are the New Brunswick woods, just over the line; Nova Scotia, a little farther away, and the almost limitless woods of Ontario. Timagami, North Bay, Trout Lake, near Paget, and Ka-Wig-a-Mog, near Pakesley, are all excellent hunting centers within less than a day's journey from Toronto.

FIVE YEAR AVERAGE IS GUIDE FOR WHEAT

United States Department of Agriculture Makes Fall Farming Recommendations Based on Foreign Conditions.

Washington, D. C., Sept. 22.—More wheat should be sown this fall than was the average in pre-war years, but not so much should be sown as was sown last year. This is the outstanding fall farming recommendation of the United States Department of Agriculture, which is watching the changes of world supply and demand while European countries are getting back to normal in food production and thus affecting the market for American products.

The department's suggestions are based on the observations of specialists who were sent abroad to report on foreign conditions and probable needs, and on the most extensive reports it has been possible to obtain from other sources in this country and other countries.

As to winter wheat, the department suggests that 42,000,000 acres be sown this fall to this crop, and that 20,000,000 acres be sown in 1920 to spring wheat, making a probable aggregate production in 1920 of 830,000,000 bushels, of which 200,000,000 bushels would be available for export after home needs are met. This production would approximately equal the average yield of wheat in the United States for the five years 1915 to 1919 inclusive. The five-year average is thought to be a safe guide for American farmers.

The suggested acreage for fall-sown wheat is approximately 35 per cent of the area sown in the fall of 1918 and is about the same as was sown in the fall of 1917. The suggested area for spring wheat is approximately 38 per cent of the area sown in each of the last two years. The combined acreage of winter and spring wheat suggested for 1920 is about 86 per cent of the acreage sown for the 1919 crop, slightly more than the acreage sown for the bumper crop of 1915 and about 4 per cent less than the area sown for the 1918 crop.

Winter Rye.

The pressure of war demand for rye has ceased, and it does not seem probable that exports next year will greatly exceed 25,000,000 bushels. Consumption of rye in this country was stimulated by the war to about 50,000,000 bushels. If this rate of consumption is maintained, a crop of 75 to 80 million bushels would be necessary to provide 25,000,000 bushels for export, indicating a total acreage of 5,500,000 to 6,000,000 acres, in comparison with 6,800,000 acres sown last fall.

"In any consideration of the probable foreign demand for American wheat and rye based on pre-war consumption experience," says the department, "a greatly increased transportation cost and the existing condition of international exchange cannot be disregarded. * * * It seems clear that if the foreign exchange situation continues as it is or becomes more abnormal it will constitute a powerful stimulus for some foreign countries to seek grain in countries other than the United States, or to produce it."

Dairying.

It is probable that several years will be required for European countries to get back to their normal cattle population. In order to supply their needs it will be necessary for them to import dairy products, and at the present time this country is supplying large quantities. Last year's exports were so large that about 2,000,000,000 pounds of milk were required to make the products, or 100 pounds from each cow in the

United States. The department expects that exports will decrease and imports will increase with the exception of condensed milk. It recommends that dairy men give particular attention to economical feeding, through the buying of concentrates in large lots or the cooperative buying of feeds; attention to pastures that have been allowed to run down; attention to the feeding needs of their cows by the use of cow-testing associations, and the best use of labor and labor-saving devices.

Live Stock.

"What our foreign trade in meat and meat products will be in the future is impossible to predict with any degree of accuracy, owing to many factors which may affect it," the department says. "The exports will probably decrease as compared with the past year, as the European countries increase their production of live stock towards the pre-war production."

Other factors affecting American export trade are rates of exchange, which in many cases are decidedly unfavorable to these countries most in need of our meat and meat products; campaigns being waged in the European countries for increased production and decreased consumption; prices of meats and meat products in this country as compared with the prices in other countries having meats for export; available ocean tonnage for shipping from other countries.

However, pork exports at least probably will be greatly in excess next year of the pre-war annual exports. The European countries probably will require two years to get back to pre-war pork production, and their present needs are great.

Pre-war production of poultry in most European countries, the department says, will soon be resumed. Emphasis in this country is placed on more efficient methods of production. Whether increased production should be undertaken must necessarily depend on local conditions as to feed, labor and other factors.

PLOWMAKERS HAD FINE PICNIC DESPITE RAIN EARLY SATURDAY MORN

(Continued from page one.)

were under the direction of Edwin L. Kuhn, physical director of the Y. M. C. A., assisted by the sports committee. All events were run off without delay or hitch of any sort. The contestants entered with enthusiasm and the spectators rooted and applauded with vigor. Below are the results of the contests:

Many Fine Contests.

Women's Potato Race—Goldie Higgins, 1; Gladys Hardesty, 2; Mrs. W. E. Hoberg, 3.

Boys' Peanut Race—Floyd Pettit, 1; Red Belknap, 2; Leo Garman and Edward Worley tied for 3.

Boys' Crab Race—Red Belknap, 1; Floyd Pettit, 2; Edward Worley, 3.

Women's Nail Driving Contest—Mrs. W. A. Nokes, 1; Mrs. Onnen, 2; Mrs. Davis, 3.

Tug of war between picked teams of George Brown and Chas. Larkin won by Brown's team.

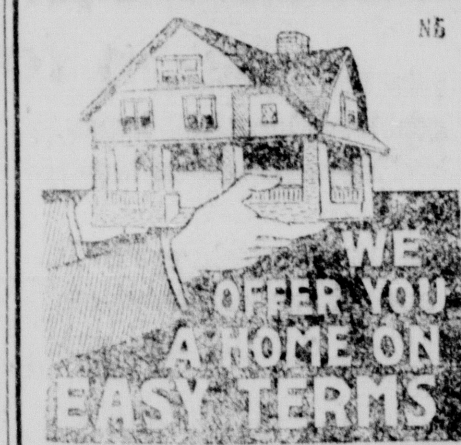

Men's 100-yard Dash—Guy Shaker, 1; Johnnie Hannah, 2.

Fifty-yard Dash, girls under 15—Marie Worley, 1; Hope Rossiter, 2; Jessie Stackpole, 3.

Boys' Sack Race—J. Gorman, 1; E. Worley, 2; Red Belknap, 3.

Melon Eating Contest—Edward Woodford, 1; George Gorman, 2; Joe Gorman, 3.

Base ball between the teams representing the machine shop and foundry vs. the rest of the plant resulted in a 13 to 9 victory for the former. Up to the seventh inning the machine shop and foundry were behind and at the beginning of the seventh the score stood 8 to 5 against them. In that frame the M. and F. scored 7 tallies and put the game on ice, by a slugging bee.

You furnish the lot, and some money, and we'll loan you the balance to build a nice bungalow.

Our terms are just like rent, only there's a come-back on every payment. Ask anybody who has been there—he knows.

We also furnish from one-half to two-thirds of the necessary funds to buy homes already built.

Come in and talk it over with the Secretary.

Judicial Convention Adopts Resolutions on Judge Baume Death

The following resolutions of respect to the memory of the late Judge James S. Baume were adopted by the republican judicial convention at Freeport:

Whereas it has pleased Almighty God to remove from our midst our highly esteemed citizen, jurist and friend, the late Honorable James S. Baume, of Galena, Illinois, and one of the Circuit Judges of the Fifteenth Judicial Circuit of the State of Illinois:

Therefore, we, the delegates of the Fifteenth Judicial Circuit in convention assembled in respect and memory of his death and in commemoration of his faithful service as one of the judiciary and in partial recognition of his true and upright life, express our high admiration and esteem of his character and just life and greatly regret his early demise:

We further express our full appreciation of his patriotic devotion and great service rendered to our country by his personal efforts during world's great strife and war:

We further extend our most profound sympathy to the family and relatives of the departed and trust that they may consider that their affliction is not shared by them alone, but in common with all the people of the community in which he resided and in the judicial circuit where he was so well known and throughout the State of Illinois where the departed was most highly esteemed and respected.

Be it further resolved that a copy of these resolutions of respect be filed with the Secretary of this Judicial Convention and the Secretary is hereby instructed to send a copy of the same to the family of the departed and also to deliver a copy to the press of the Fifteenth Judicial Circuit.

All of which is respectfully submitted

Building Operations in Chicago Resumed

By Associated Press Leased Wire

Chicago, Sept. 22.—Building operations in this city which have been tied up for two months by a strike of carpenters were resumed today. The strike was settled last Friday night when contractors granted the demands of the unions for one dollar an hour. The men had previously received eighty cents an hour.

Officials of the building trades unions estimated that the loss in wages to craftsmen during the strike would amount to more than \$27,000,000.

T. R. MEMORIAL DRIVE IN STATE IS NOW PLANNED

I. N. Evans, Milledgeville, is Chairman 13th District.

Definite plans for the Illinois campaign to secure funds for memorials to Colonel Roosevelt are now completed. A meeting of all congressional and county chairmen will be held at the Blackstone Hotel, Chicago, Tuesday, September 23rd. It is expected that there will be at least 150 present at this meeting. Governor Frank O. Lowden, who is state chairman of the Roosevelt Committee will preside. Charles W. Folds and E. F. Harris, vice chairmen of the State Committee will tell of plans now under way. While R. C. Kent, State Director, will go into detail as to just how the campaign is to be worked and the means to be employed. Mr. Kent will be the supreme working head, and the state, county and district chairmen will operate under his direction.

The state has been organized along the lines of the congressional districts and a chairman has been chosen for each of these districts. Working under these district chairmen will be the county chairmen. Each county in turn will be divided into townships. There will be a general publicity director for the state in Chicago and a publicity director for each district and county.

The object of the Memorial campaign is to raise funds for the erection of suitable memorials and an endowment fund to spread the principles of American citizenship for which Theodore Roosevelt stood, and the entire work is in charge of a national committee, made up of the late colonel's closest friends. The campaign is to start October 20th.

The district chairmen thus far named, not including Chicago, are as follows:

- 11th, Ira C. Copley, Aurora-Washington, D. C.
- 12th, W. C. Hayes, Belvidere.
- 13th, I. N. Evans, Milledgeville.
- 14th, Dr. W. E. Taylor, Moline.
- 15th, M. O. Williamson, Galesburg.
- 16th, G. G. Luthy, Peoria.
- 17th, F. H. Funk, Bloomington.
- 18th, W. C. Lewman, Danville.
- 19th, C. A. Kiler, Champaign.
- 20th, Andrew Russell, Jacksonville.
- 21st, George E. Keys, Springfield.
- 22nd, Dr. E. M. Irwin, Belleville.
- 23rd, Verne E. Joy, Centralia.
- 24th, John M. Brown, Vienna.
- 25th, Walter H. Wood, Cairo.

No Food Shortage Says British Food Controller Today

By Associated Press Leased Wire

Brussels, Sunday, Sept. 21.—(Delayed)

"The world need have no fear of a food shortage during the coming winter providing there is proper care in handling the problem and proper distribution," said George H. Roberts, British food controller and one of the delegates to the supreme economic council, in session here today. Other delegates concurred in this view.

Mr. Roberts is laying special emphasis on the necessity of reorganizing transport service to meet food problems.

Louis Atkins and son, Sergt. James Atkins, went to Rockford Friday on business.

WHY THIN BLOOD MAKES THIN BODIES

Thin, pale, anemic men and women are starving their blood. They are simply not supplying to the blood the oxygen, iron and cell-salts that the body must have in order to maintain the health and vigor of the body.

The red blood cells and the white blood cells are constantly warring in the blood. If you starve the red blood cells, which vitalize the blood and build up the body, the blood becomes thin, and full of white blood cells, and the body starves until it becomes thin and emaciated, weak and sick.

Healthy blood makes the entire body healthy. Rich, red blood vitalized with oxygen, iron and the cell-salts that Nature must have to keep the body well, or make it well if it is sick, will renew the strength and restore vigor and vitality.

REOLO, the wonderful discovery of Dr. A. L. Reusing, rapidly increases the number of red blood cells, and supplies the oxygen, iron and cell-salts that make rich, red blood, vitalized with oxygen and rich in the plasma and cell-salts that nourish the cells of the body, and restore strength and health.

REOLO is sold under the Positive Guarantee that if it does not give you renewed strength and energy your money will be returned gladly.

Each package of REOLO contains 100 pleasant, tasteless tablets, sufficient for two weeks' treatment and only costs one dollar.

REOLO is sold in Dixon by Sterling & Sterling, Licensed Distributor for the Dr. A. L. Reusing Laboratories, Akron, Ohio.

CORN PRICES IN UPWARD TREND

By Associated Press Leased Wire

Chicago, Sept. 22.—Corn prices moved upward today as a result of covering by shorts who took the position that the bearish effects of the steel strike had been discounted before hand. Strength of prices in the hog market and in Wall street tended also to lift corn values. Trade was not large. Opening figures, which ranged from the same as Saturday's close to 1 1/2c higher, with Dec. 1.22 1/2 to 1.23 and May 1.21 to 1.21 1/2, were followed by a slight reaction and then by substantial upturns all around. Oats ascended with corn. After opening unchanged to 1/4c higher, including December at 69c, the market sagged a little, and then rose higher than at first.

Provisions were governed by the action of grain and hogs. Initial prices, though, showed weakness owing to considerable scattered selling. Later, there was persistent buying for commission houses. Offerings were light, and further gains ensued. The market closed strong, 3c to 4 1/2c net higher, with Dec. 1.25 1/2 to 1.25 3/4 and May 1.23 1/2 to 1.23 3/4.

Mormon's President
Opposes Reed Smoot

By Associated Press Leased Wire

Salt Lake City, Utah, Sept. 22.—President Heber J. Grant of the Mormon church today took issue with the statements made recently by United States Senator Reed Smoot of Utah to the effect that the book of Mormon is opposed to the league of nations.

"The position of the church of Jesus Christ of latter day saints is that the standard works of the church are not opposed to the league of nations," he said. President Grant announced that he has signed a manifest issued by former President Taft, ex-Attorney General Wickersham and other notable figures asking for the immediate ratification of the peace treaty and the covenant of the league of nations without amendments.

Reds Ready to Quit
Petrograd at Once

By Associated Press Leased Wire

Copenhagen, Sept. 22.—The bolsheviks have made all preparations for the evacuation of Petrograd, according to a Helsingfors dispatch to the Central News Agency.

SERVICE AT COLONY.

An inspiring service was held again yesterday at the State Colony, this time in charge of the Baptist church. Rev. J. A. Simpson's message was given to an appreciative audience and was followed by a solo fitting the theme, sung by Mrs. Katherine Ballou. Miss Brenna was the accompanist. After the service proper, the pastor and the members of his choir and congregation responded to a request for more music and all present joined heartily in the song service which followed.

NACHUSA ARMY DRIVE

In Nachusa the poll will be open all day Wednesday for Salvation Army subscriptions. The Nachusa committee expects unanimous support in that township and hopes to clean up the campaign in one day.

L. L. Edson goes to Chicago tomorrow on business.
